This year, Candlelight invites you to
celebrate Halloween in a unique way at
a special concert with iconic film music
from horror films and creepy series.

TIME FOR WINTERIZATION!

Now is the time to start thinking about
scheduling the winterization of your
boats! Before the mercury dips below
freezing, you need to prepare your boat
for the coming winter. Fresh water
expansion can crack an engine block,
damage fiberglass, split hoses, or
destroy a refrigeration system
overnight. Please call the office to
schedule your winterization. Better
sooner than later!

NEEDING ASSISTANCE?

We still monitor VHF channel 16, or you
can also call the office at (903) 463-
3999. If you have any concern or
emergency you can also call the night
watchman at (903) 271-0969.

WINTERIZATION NOTICE!

IT IS IMPORTANT THAT THIS LETTER BE RETURNED ASAP SO THAT ANY WORK REQUIRED MAY BE SCHEDULED PRIOR TO THE FIRST DAMAGING FREEZE.

Once again, the fall season is here, and it is time to think about WINTERIZING your boat. We recommend a program, which not only includes winterization but also the ANNUAL PREVENTATIVE MAINTENANCE, prescribed by most boat manufacturers. The preventative maintenance recommended not only helps prevent costly future repairs, but also makes your boat ready to go in the spring without the usual spring engine oil change, outdrive lubrication and lower unit oil change. Mercruiser policy that all oil and lubricants be changed before winter lay up only makes sense. It is explained in your owners' manual.

The individual services performed in the winterization program and prices for each service are as follows. Please check the items you desire and return this letter by mail, E-mail to eyc@eisenhoweryachtclub.com with the authorization signed by you in the space provided. No work will be performed without your authorization.

- 1. **\$175.00 per engine** – Drain block, manifolds, coolers and other water passages. Fog (oil down) engine. If it is necessary to tap and replace damaged petcocks or plugs the charge is \$9.50 per plug. Quickstor fuel stabilizer - \$18.95 per 60 gallons.
- 2. **\$200.00 per engine**- Drain block, manifolds, coolers and other water passages and add antifreeze. Fog (oil down) engine. If it is necessary to tap and replace damaged petcocks or plugs the charge is \$9.50 per plug – **includes anti-freeze**. Quickstor fuel stabilizer - \$18.95 per 60 gallons
- 3. Pull the outdrive and grease all lubrication points, (splines, gimbal bearings, u-joints). Change lower unit oil. **\$350.00 + tax per outdrive + pull fee @ \$7.50/ft. (OMC & Mercruiser Alpha), (Bravos & Volvo's \$450.00 + tax per outdrive + pull fee)**
- 4. Change engine oil and filter on single gas engines **\$150.00 + tax** and twin engines **\$285.00 + tax**. **Includes oil & filter up to 6 qts. Per engine.**
**Diesel-Extra *Synthetic Oil-Extra *Volvo Synthetic-Extra*
- 5. Change engine oil and filter on twin engine and Genset **\$405.00 + tax –Up to 6 qts. per main engines**
- 6. Change oil and filter on gas generator. **\$ 125.00 + tax per generator. Includes oil and filter.**
- 7. Winterize generator. **\$85.00 per generator. Includes anti-freeze.**
- 8. Winterize marine air conditioner unit. **\$75.00 each.**
- 9. Winterize marine heads - **\$ 75.00 each.**
- 10. Winterize freshwater systems, drain and by – pass hot water tank - **\$125.00 plus non-toxic anti-freeze (\$17.50 per gal.).**
- 11. Take boat to gas dock and pump out and flush holding tank **\$150.00** – includes pump out fee.
- 12. Check operation of existing bilge heating system. **\$ 125.00**
- 13. Change fuel filters, top off gas tank and add gas dryer. This will help prevent condensation over the winter at **\$50.00** per engine. Canister fuel filters **\$17.50**. Gas dryer (Quickstor) **\$18.98** treats 60 gallons of gas.
- 14. Heat systems installed. Call for price.
- 15. Personal watercraft with Anti-Freeze- **\$200.00 per engine.**

I WILL PERFORM MY OWN WINTERIZATION. Signature _____.

I AUTHORIZE EISENHOWER YACHT CLUB TO WINTERIZE MY BOAT AND PERFORM THE SERVICES I HAVE INDICATED.

Signature _____ Name (Please Print) _____

Please list earliest date work may be started _____.

Please remember boats will be serviced in the order of notification. Please notify us A.S.A.P. so that we may service your boat before the first damaging freeze.

EISENHOWER YACHT CLUB WILL NOT ACCEPT RESPONSIBILITY FOR BOATS DEPENDING ON ELECTRIC HEATING SYSTEMS TO PREVENT FREEZING. THE MARINA WILL CHECK THESE SYSTEMS FOR PROPER WORKING ORDER DURING PERIODS OF EXTREME COLD IF THE CUSTOMER REQUESTS THAT A CHECK BE MADE. NORMAL LABOR RATES WILL APPLY.
